Classification No.	3	7	6	B	1	3	2	2	B	A
EN 179 : 2008										

501-P Push Pad Emergency Exit Latch For Wooden Doors 501-P/AD Push Pad Emergency Exit Latch For Aluminium Doors

The Exidor 501-P is a surface mounted rim latch for single and double door applications. The slimline 38mm wide footprint makes it particularly suitable for use on doors with narrow stiles. Simply depressing the pad provides safe and speedy exit in the event of an emergency, whilst maintaining security against intrusion. Combining smooth stylish lines with the excellence of British engineering and a high quality powder coated finish ensures the 501-P is stylish enough for use in the most prestigious buildings with integrated interiors.
